School Dinners!

The first week back after half term will be week 1 on the new menu.

After half term there will be a new menu for the autumn/winter. The new menus is attached to the bottom of the newsletter.

We have three special menu days planned. 4th November—Diwali Day. There will be a colouring competition provided by our catering company. We have requested enough copies for all children to take part.

Friday 5th November—Bonfire night themed lunch

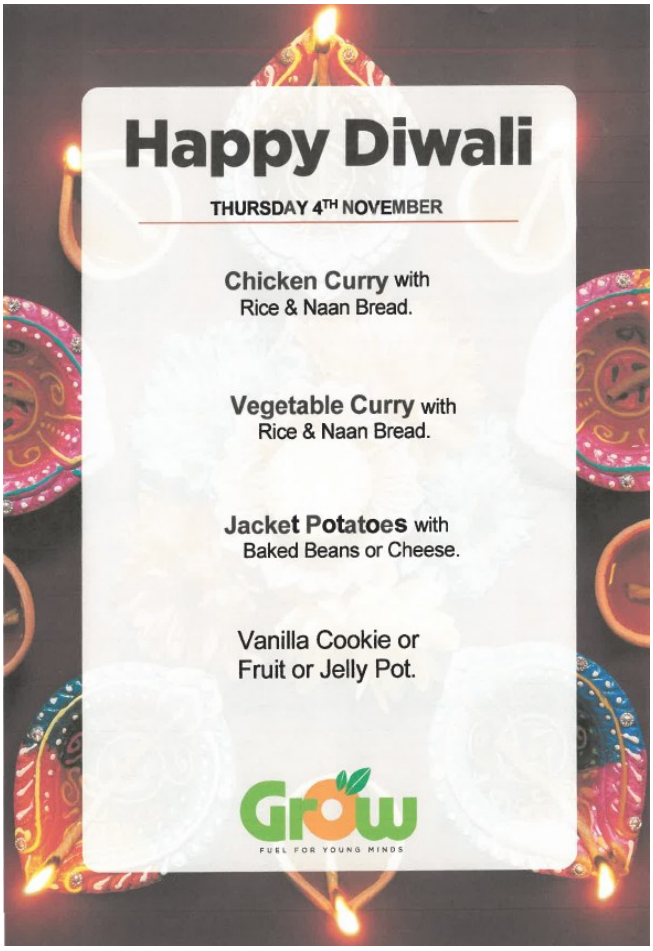
Wednesday 8th December– Christmas Dinner. More information on Christmas dinner will be sent out closer to the time.

Just let your teacher know during the register!

Themed Lunch Days!

£2.50

We always have jacket potatoes and sandwiches available on themed days in addition to the special menu.



Delicious Dinners.

Our school dinners are prepared freshly on site. The food is healthy, plentiful and provides the children with at least 3 options per day.

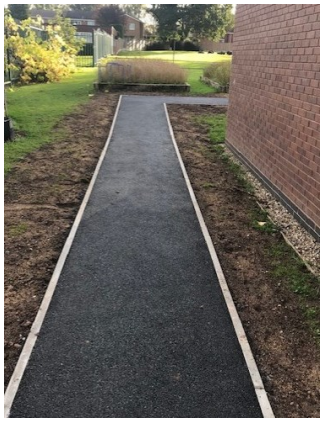
Advertise on our Newsletter

We would like to offer the chance for local businesses to advertise on our newsletter for a charge of £20. If you would like to advertise on our newsletter, please contact the school office.

Year 3 and 4 New Entrance.

After half term, year 3 and 4 will be using the new entrance and path, both at drop off and pick up time. The new entrance will become the permanent year 3 and 4 gate. The new path, which has been installed in the last two weeks, has given us the opportunity to use a gate which we have not been able to use before. The new gate means the car park gate will no longer need to be used.

The new gate is accessible from the front of the school:



In the morning, you will drop your children at this gate, where there will be a member of staff on duty.

At the end of the school day, the gate will be open for you to follow the path onto the playground. Your children will be dismissed to you on the playground. You will then exit through the same gate.

There will be no pedestrian access through the staff carpark. We ask that you kindly use the alleyway which runs parallel to the carpark:

This new gate system will ensure the children are safely away from moving cars when staff are arriving or leaving. It will also provide a permanent solution to the bottle neck on the gate which was used pre COVID.
