Flu Vaccine

Flu Vaccine's will be given in school on 20th October. In order to receive the vaccine, you must complete the consent via the link below:

[Vaccination UK Immunisation \(schoolvaccination.uk\)](https://www.schoolvaccination.uk)

If you do not wish your child to have the vaccine, the link must be used to withdraw consent.

Walking to Church

On Monday 9th October at 2.00pm we will be visiting church for our Harvest service. Our Harvest service is for children and staff only, however, we would very much appreciate some adult walkers. If you are able to support us with walking to and from Church on Monday you would be more than welcome to join us for the service. We would require walkers to be ready to set off to church at 1.30pm. If you are able to support us with walking to church, please complete the form below:

<https://forms.office.com/e/LqLvbgQyGz>

Harvest

This year we will be supporting the Good Shepherd with our Harvest collection. The Good Shepherd have seen an increase of 27% in the number of people accessing their food crisis support. In the current climate, with costs rising, it is more important than ever that we support the families in our city who are most in need. Please send any donations for our Harvest collection into school on Monday 9th October. The good Shepherd have provided the following list of items which they are in particular need of:

Thank you in advance for your support.

Class Reading Padlets.

At Christ Church we know how much our pupils love to read and we want to help children celebrate this and promote their love of reading. This is why every class has been set up with their own Reading Padlet. This is a website where children can post books they are reading at home, review them and recommend them.

Children have been shown how the Padlet works. To upload follow the class link below.

In the bottom right hand corner there is a plus symbol, click this to add a new review.

This box will pop up. In the subject type your child's name.

Then either upload a picture from the camera

or search for it online

In the comment box below the picture, children can write their reviews.

The Padlet will be monitored by teachers and can count towards house points and reader of the week awards.

Happy reading! Miss Cox

Cross Country Team

A huge well done to our Cross Country Team who competed in their first event of the year this week. The children ran very well. They showed great confidence in a field of runners who were more experienced and older than many of our team. The fantastic performance was well deserved after the commitment these children show to training with our team! Well done children!

Thought of the Week

Theme– Respect

Thank you to 4S who led worship today. They were very well prepared.

Black History Month – October 2023

Black History Month is celebrated in the UK during the month of October every year. It is an opportunity for everyone to learn about significant Black and Mixed Heritage people and their contributions to Britain worldwide.

The theme of this year's UK Black History month is '**Celebrating Black Women**'. The aim of this theme is to learn about Black and Mixed Heritage British women who have shaped history through their achievements and accomplishments.

The children will be shown a PowerPoint in their classes during early October in recognition of this important celebration. In addition to this, the newly elected class 'History Ambassadors' would like to invite as many children as possible to complete the activity which they have planned.

They would like the children to carry out some research on an influential Black British woman of their choice. They can choose from the following industries including: Sports, Politics, Music, Science and Medicine, Broadcasting and Entertainment, Literature and Arts.

Their research can either be presented as a poster or a fact file on an A4 piece of paper and they must be prepared to present it to their class.

The deadline for this activity is Friday October 20th 2023

Your class 'History Ambassador' is at hand to answer any questions and will collect your completed research.

Flu immunisation for pupils in school years Reception - Year 11

DEAR PARENT/CARER,

The flu vaccine is being offered at your child's school again this autumn/winter.

To give consent for your child to have the flu vaccine, please click here:

<https://midlands.schoolvaccination.uk/flu/2023/wolverhampton>

Even if you do not wish for your child to have the vaccine, please complete the online form so that we can record your wishes.

THE NASAL FLU VACCINE

- ✓ Protects your child from the flu.
- ✓ Protects your family and friends from the flu (especially those who are elderly, young babies, or those who have serious health conditions).
- ✓ Is painless, quick and effective.
- ✓ Is free

THE IM FLU VACCINE

We also offer the flu vaccine as an injection, which is **gelatine-free**. This *may* also be the vaccine of choice for vegans. Please go to our website where you can find out more about the manufacturing of the flu injection, and then decide if the injection is more suited to your child.

You only need to complete one consent form for each child. If you later change your mind, please call your local team. If your child has this immunisation elsewhere after you have submitted the consent form, you **MUST** inform Vaccination UK rather than the school.

We understand that you may have questions about the vaccine. For more information, please go to our website, where you can find a list of FAQ's, as well as details of our community catch up clinics. We also have some FAQ's enclosed below.

You can also find informational videos on our YouTube channel, including subtitled versions for other languages.

USEFUL INFO

We endeavour to come to your child's school twice. If they are absent or unable to be vaccinated at school, you will need to attend one of our community clinics for the vaccine. Details of these can be found on our website or you can contact the team above.

PLEASE NOTE the flu vaccine will **NOT** be available to otherwise healthy children after December 15th at all, and so we urge you to return the consent form as soon as possible in case we are not able to visit your child's schools for a second visit this year.

Your consent will remain in place for the entire flu season. If your child misses a first visit, you do not need to complete a second form.

ADDITIONAL INFORMATION

*The consent form needs to be signed by a person with parental responsibility which includes:

- Mother: automatic
- Father: if married to the mother either when baby is born or marries subsequently
- Unmarried father: if name appears on birth certificate (since 1/12/03) or legally acquired
- Others: if parental responsibility is legally acquired
- Parental Responsibility Agreement: signed, properly witnessed and sent for registration to Principle Registry or the Family Division (High Court)
- Residence Order: granted by the Court

Please note that young people under the age of 16 can give or refuse consent if considered competent to do so by nursing staff.

FREQUENTLY ASKED QUESTIONS

Are there any side effects of the vaccine?

Possible side effects are: decreased appetite, headache, a runny or blocked nose, and sometimes a raised temperature. These are common, but they pass quickly and can be treated with paracetamol or ibuprofen if you feel your child needs it.

Are there any children who shouldn't have the nasal vaccine?

You should let us know if your child has any of the following:

- A very severe allergy to eggs, egg proteins, gentamicin or gelatine – it is important for us to know if your child has been admitted to hospital with a condition called anaphylaxis, triggered by these things.
- Are currently wheezy or have been wheezy in the past 72 hours with asthma. There is an alternative flu vaccine that we can talk to you about to ensure that your child is protected as soon as possible.
- Have a condition that severely weakens their immune system.

Also, children who have been vaccinated should avoid close contact with people with very severely weakened immune systems for around two weeks following vaccination (By severely weakened, we generally mean people who are isolating, such as those who have received some types of chemotherapy or people who have had a bone marrow transplant, for example). This is because there's an extremely remote chance that the vaccine virus may be passed to them.

Contact with other healthy children or adults does not need to be limited after having the vaccine.

We do not eat pork products.

Can my child have a different flu vaccine?

Yes. There is a flu vaccine available, in the form of an injection.

The nasal flu vaccine is the best vaccine for children and young people under 18 years of age as it is more effective at stopping the spread of flu and it is painless, but it does have a highly processed form of gelatine (porcine gelatine), which is used in a range of many essential medicines. The gelatine helps to keep the vaccine viruses stable so that the vaccine provides the best protection against flu.

If your faith or beliefs mean you would prefer a vaccine that has no pork (porcine gelatine) in it, please complete the consent for the flu injection only. You do not need to complete a form for both.

If your child is vegan, please note that the flu injection is a cell based vaccine. For more information, please see our FAQs page on our website:
