Dear Parent/Carer,

This is the second month where your child's attendance remains below 96%. Good school attendance is the basis for a good education and the opportunity for your child to meet their potential. Absence from school results in missed learning opportunities.

We appreciate that you may have contacted school to report absences, and we hope that this continues. We also appreciate that we may have spoken to you about this issue recently. However, it is school policy to continue to inform parents of their child's attendance levels.

We are committed to ensuring that we act in the best interest of our children and would like to emphasise that although attendance is very important, on some occasions the best place for your child is at home.

If your child is too unwell to attend school and the best place for them is at home, that is where they should be. On all other occasions your child should attend school. The best place for them to be is in the classroom, learning, if they are well enough to do so.

We aim to support you and your child to improve attendance wherever possible. If you require some advice or support regarding your child's attendance please do not hesitate to contact me.

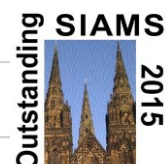

Yours sincerely

Mrs Blower
