Regarding Parents' Evening, the spring term report will still be issued and sent home with your child/children during the last week of term. Parent consultations will be rearranged to take place in the summer term.

School and Nursery will remain open until further notice in line with the government guidelines for educational settings:

'staff, young people and children should stay at home if they are unwell with a new, continuous cough or a high temperature to avoid spreading infection to others. Otherwise they should attend education or work as normal.'

In addition, should your child become unwell with a new, continuous cough or a high temperature they will be sent home and parents will be advised to follow the staying at home guidance.

Information regarding trip payments already made will be sent out in due course.

Thank you for your continued support. We will endeavour to keep you updated and informed following any new guidance we receive.

Should school need to close, work will be uploaded to the school website www.christchurchfederation.co.uk for children to complete.
