Thank you

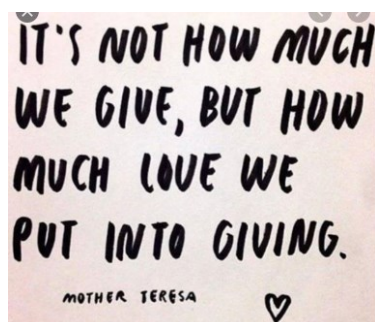

As school is closed next Friday, this will be the last newsletter of the term. I would like to take this opportunity to thank you all for your support at this strange time. Although we have not been able to do the 'normal' Christmas celebrations, school has felt very festive and there has been a lot of lovely activities taking place in classrooms.

As we have not been able to invite parents into school for a service this year, the children have been working on a video which we will be compiling and sending the link out to you next week. Every class is preparing a contribution and there is a little something from the staff too!

I would like to wish you all a very happy Christmas. I understand this year is different. Many plans have been changed or cancelled but I am sure you will all enjoy the break and the time to share the magic with your children.

We look forward to see you and your children in January.
