Spelling lists will be taught in class during the week and tested during a weekly timetabled slot. Please help your child to learn their spellings each week.

For week beginning Monday 2nd March , children will be tested on list 21 for their year group.

Well Done Swimmers!

A huge well done to the y5 children who competed in the WASPS swimming gala at the Royal School on Wednesday. The boys team came 2nd and were presented with silver medals. The girls came 8th in their competition. We are extremely proud of achieving two top ten results. An extra well done to Freddie Box who came 1st in backstroke and James Corey who came first in breaststroke. The boys team also came first in the relay. Every swimmer represented our school extremely well both in terms of conduct and sporting achievement.

Lent Challenge Stalls

Our Lent Challenge has now begun as Lent started on Ash Wednesday of this week.

We look forward to hearing all about the children's ideas for making their £2 "grow". During last year's challenge some children made items to sell and we set up stalls in the school hall to enable them to do this. We plan on doing this again this year, so should your child require a stall, could they please inform their class teacher so that we can make necessary arrangements. It would be helpful if they could also say what it is they are intending to sell. We are planning to set up stalls in the school hall during the school day on Monday 30th March. Children will all be given an opportunity to visit the stalls so they will need money with them in school on that day please. Unfortunately, we cannot accommodate cake sales etc on additional days.

If your child is doing things out of school and you are happy to send photos in could these please be sent via the school's email address FAO Mrs Sargeant.

Many thanks.

Ash Wednesday Service

Thank you to all the parent helpers who accompanied us to church on Wednesday. The children enjoyed the opportunity to be 'ashed'.

Eco-Tip of the Week!

This is our first 'eco-tip' for the newsletter!

We all know about recycling but there are certain 'problem' items which end up in landfill. More information can be found at <https://www.terracycle.com/en-GB/> Terracycle have lots of scheme to recycle all kinds of things.

We are joining the crisp packet recycling scheme. From Monday 2nd March we will have a collection point in the hall which will accept all brands of crisps packets and multipack outer packaging. Packets need to be completely empty, not folded into triangles. The packets **do not** need to be washed. Terracycle will make the packets into plastic pellets which will be used to make a range of new recycled products.
