Welcome back! This is our first reading newsletter of the academic year. I hope you all had a lovely summer and enjoyed a good book! We have lots of exciting things planned for this year and I can't wait to share all of our plans with you. Miss Cox

Reading Ambassadors

Thank you to all of you who applied for the reading ambassadors role. I was overwhelmed with the amount of children who wanted to share their love of reading across the school.

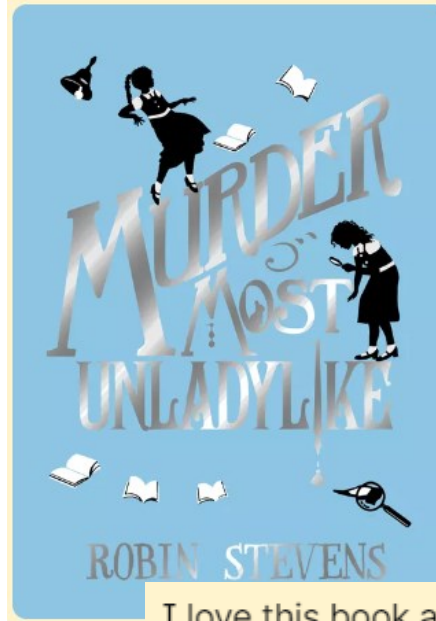

A huge congratulations to our successful candidates. The reading ambassadors are excited to share their ideas and have already started planning some great activities for us to enjoy.

Other children have recommended this author too.

I love this book as there is the perfect balance of suspense and the feeling of what will happen next! Really recommend this as it is sooo good. There is also many more books following the same idea by the same author!

Don't forget to upload your own reviews on the Padlet to be in with a chance of being the Padlet Star.

Game 4 Reading Competition

The Reading Team Recommends

Lost on Gibbon Island by Rob Biddulph

Listen up! Gibbon Island is a great book full to the brim with adventure and excitement. Written as a diary, it is brilliant and once you start reading it you can't put it down. It is about a girl called Lark who gets washed up onto a deserted island and has to find a way to survive! We all enjoyed reading this book and as we did, we found a friend in Goldie the Gibbon. While Lark tries to escape the island, will she be rescued?

Behind the scenes a team of year 6 pupils have been taking part in a reading competition called Game 4 Reading, organised by the Wolverhampton Library service. It involves schools from all around the city and requires children to read 6 books and research authors ready to answer a quiz based on them. The team have done a brilliant job and worked really hard and we are proud to announce they are in the final! We wish them lots of luck as they prepare for their final quiz on Thursday. Well done to all of you!

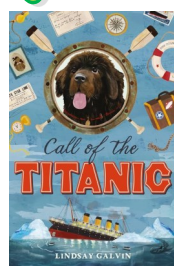

I have enjoyed reading all of the books in the competition

We have really come together as a team and worked well collaboratively

I have read books I don't think I would have picked up before and it's been so much fun.

Reading at Home

Turning on the subtitles while children are watching television can **double the chances of a child becoming good at reading**. It's so brilliantly simple and can help children's literacy so much that we want to shout it from the rooftops! So the next time your child is watching TV or the tablet, turn on the subtitles. You can turn them on for the whole family or most streaming services will now allow you to do it just for individual children if you like.
