Dear Parents

As part of Y3's History topic a Stone Age to Iron Age workshop has been arranged in school. Members of the local "Timezone" team will visit and transform the classrooms into a Stone Age/Iron Age settlement on Friday 10th January 2020. There are many varied activities during the day which enable the children to experience first-hand the Stone/Iron Age lifestyle. There is also the opportunity to take part in creative activities making Stone/Iron Age style crafts.

There is an amazing array of Iron/Stone Age artefacts brought along by "Timezone" which enthral and educate the children. This day in the past has proved to be an exciting and stimulating event which the children still recall years later. As we don't require the expense of a coach for this experience the cost will be only £6.50 per pupil.

As no time is spent traveling to a venue the children get a full day of activities provided by the "Timezone" team. We would like the children to come to school wearing casual clothes (e.g. jeans/leggings, T-shirts/jumpers) as they will be "archaeologists".

Please return the tear off slip as soon as possible and make payment on SimsPay.

Yours sincerely

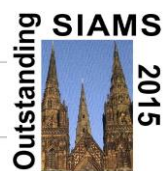

Mrs Nash
